Subject: Regarding permanent registration of MBBS Graduates from Philippines.

Sir,

This is with reference your letter no.- PMC/2022/8652 dated 07/04/2022 on the subject mentioned above. Please refer to the advisory letter no. MCI-203(1)(Gen.)/2020-Regn./112442 dated 30/07/2020 and MCI-203(1)(Gen.)/2020-Regn./118239 dated 02/09/2020 issued by the Secretary, Board of Governors in Supersession of the erstwhile Medical Council of India also refer to the advisory annexed for the guidelines/directions for such candidates who have qualified foreign medical graduate examination after obtaining the registrable MBBS degree from a country outside India.

2. In this connection, it is clarified that a candidate may be registered in case he fulfills the following criteria:-
 - a) passed his MBBS course from a foreign country
 - b) has a degree which is registrable in that country.
 - c) has the eligibility certificate.
 - d) has passed his FMG exam
 - e) has either finished his internship (physically) in that country or in India, if not completed there.
 - f) in case the council desires to verify the registrability of a degree, it may do so from High Commission of the country in which the medical degree awarded.
 - g) it is also mentioned that the guidelines issued on 04/03/2022 by UGMEB clearly detail the requirement for registration.
3. In this context to summarize the issue, as per the existing regulations, in case the candidate has fulfilled the aforesaid mentioned conditions, he may be granted registration with the State Medical Council
4. Further, the attached letter and FMG advisory may be taken as the reference letter for grant of registration. The registration may be granted to the eligible candidates.
5. This issues with the approval of the competent authority.

Yours sincerely,

(Devinder Kumar)
Under Secretary, EMRB
