**Subject: Implementation of Organ Donation Pledge by all staff in the Clinics/ Hospitals in the State of Punjab.**

Organ donation is a noble and life-saving act, with the potential to save up to eight lives through a single deceased donor. Raising awareness and encouraging individuals to pledge for organ donation is a vital step toward building a compassionate and resilient healthcare system.

It is a matter of pride that Punjab has been recognized as an *Emerging State in Deceased Organ Donation* by the Ministry of Health & Family Welfare, Government of India, during the 15th Indian Organ Donation Day. This recognition reflects the commendable efforts of healthcare professionals.

To further build on this achievement, all Clinics/ Hospital in the State of Punjab are requested to ensure that an Organ Donation Pledge activity is organized on **13th August 2025**. All staff may be encouraged to take the pledge online through the official NOTTO portal:

<https://notto.mohfw.gov.in>

A brief report highlighting the number of pledges, photographs, and details of activities conducted may kindly be shared with SOTTO Punjab at [sotto-punjab@punjab.gov.in](mailto:sotto-punjab@punjab.gov.in) by 18th August 2025.

"Let us join hands to strengthen the deceased organ donation program and cultivate a culture of saving lives through this noble act. Your support and leadership will be instrumental in inspiring collective participation in this life-saving initiative."

Warm regards,

Yours sincerely,

(Dr. C.S. Pruthi)
